

What a Blast of a Weekend!!

Last weekend's open of Coolbeans was so much fun! It was a great beginning to a wonderful place to hang out and enjoy fellowship with God's family.

If you were unable to attend, you can take advantage of Coolbeans Cafe every Sunday morning between 9:00 - 9:55 am, and also at the conclusion of our Sunday Celebration. Feel free to join with others and pray, talk, read the word the old fashion way, or via the internet on WellSpring's Free Network, and, of course, taste one of the fantastic espresso drinks. Those of you without a taste for coffee (can't believe that's possible) can try a variety of "Yummo" drinks. Anyhow... enough about the espresso.

We also experienced the Lord in our time of Breakthrough Prayer. John Perrone led our time which opened with a focus on the battle against strongholds that attempt to defeat people. Next, we prayed for healing for broken or strained relationships. We closed our prayer by giving supplication for physical healing.

It was so cool to see the Lord moving in people's hearts as well as their physical bodies. There were a couple people that received physical touches from God instantaneously that evening. Thank you Lord!

And then, Sunday morning was awesome! Really... We discussed the challenging but powerful topic of forgiveness. But wait! Most exciting is that three people received God's forgiveness for the first time. And not only that; we were able to talk with and pray for each one. There was also a woman who recommitted her life to Christ.

In case you were wondering, every one of these people were invited by a WellSpringer. It really is effective when we reach out to invite friends, family, neighbors and co-workers.

Sounds like one of our core values: *Reaching out becomes a normal and natural lifestyle of winning others to Christ, one by one. People inviting people is our best strategy. The harvest is ripe. Let's do some pickin'.*

Well, I better get to the point, because you probably won't read much further. I'm so excited for what God is doing in people at WellSpring.

I want to say **thank you** to each of the many people who helped prepare Coolbeans for its grand opening. It took a variety of people with a variety of gifts to pull it off. So thanks to you and God's graciousness to us; WellSpring's new cafe is off to an excellent start.

It's so great to be part of what God is doing,

Pastor Scott
